REVOKE ACCESS Puzzilla.org

REVOKE ACCESS RootsMapper - RootsMapper

The largest commercial genealogy website.
More than 30 billion records including:

United States Collections:

- Censuses
- Vital Records: birth, marriage, and death
- Military
- Immigration
- Digitized books
- City directories
- Probate records
- More than 100 million family trees
- Foreign collections include countries in Africa, Asia, Australia, Central America, Europe, and Scandinavia, as well as Canada, Ireland, New Zealand, and the United Kingdom
- DNA testing

The site began with a focus on UK and Irish records but has since added a large collection for the United States and Canada, Australia, and New Zealand some select collections for various countries around the world.

Some of their collections include:

- Vital records
- Church records
- Military records
- Newspapers

- Passenger lists
- US Census records
- UK Census records
- Newspapers and magazines

- Has 18.2 billion historical records
- 52 million family trees
- Has members all over the world
- Offers a website in over 40 languages
- DNA testing

Collections Include:

- Birth, marriage, and deaths in 48 countries
- US and UK Censuses
- US immigration, military, tombstone records, newspapers
- 815 million U.S. public records from 1940 to the present
- And much more...

470 online databases focusing on the study of family history in America and on the Jewish community in New England:

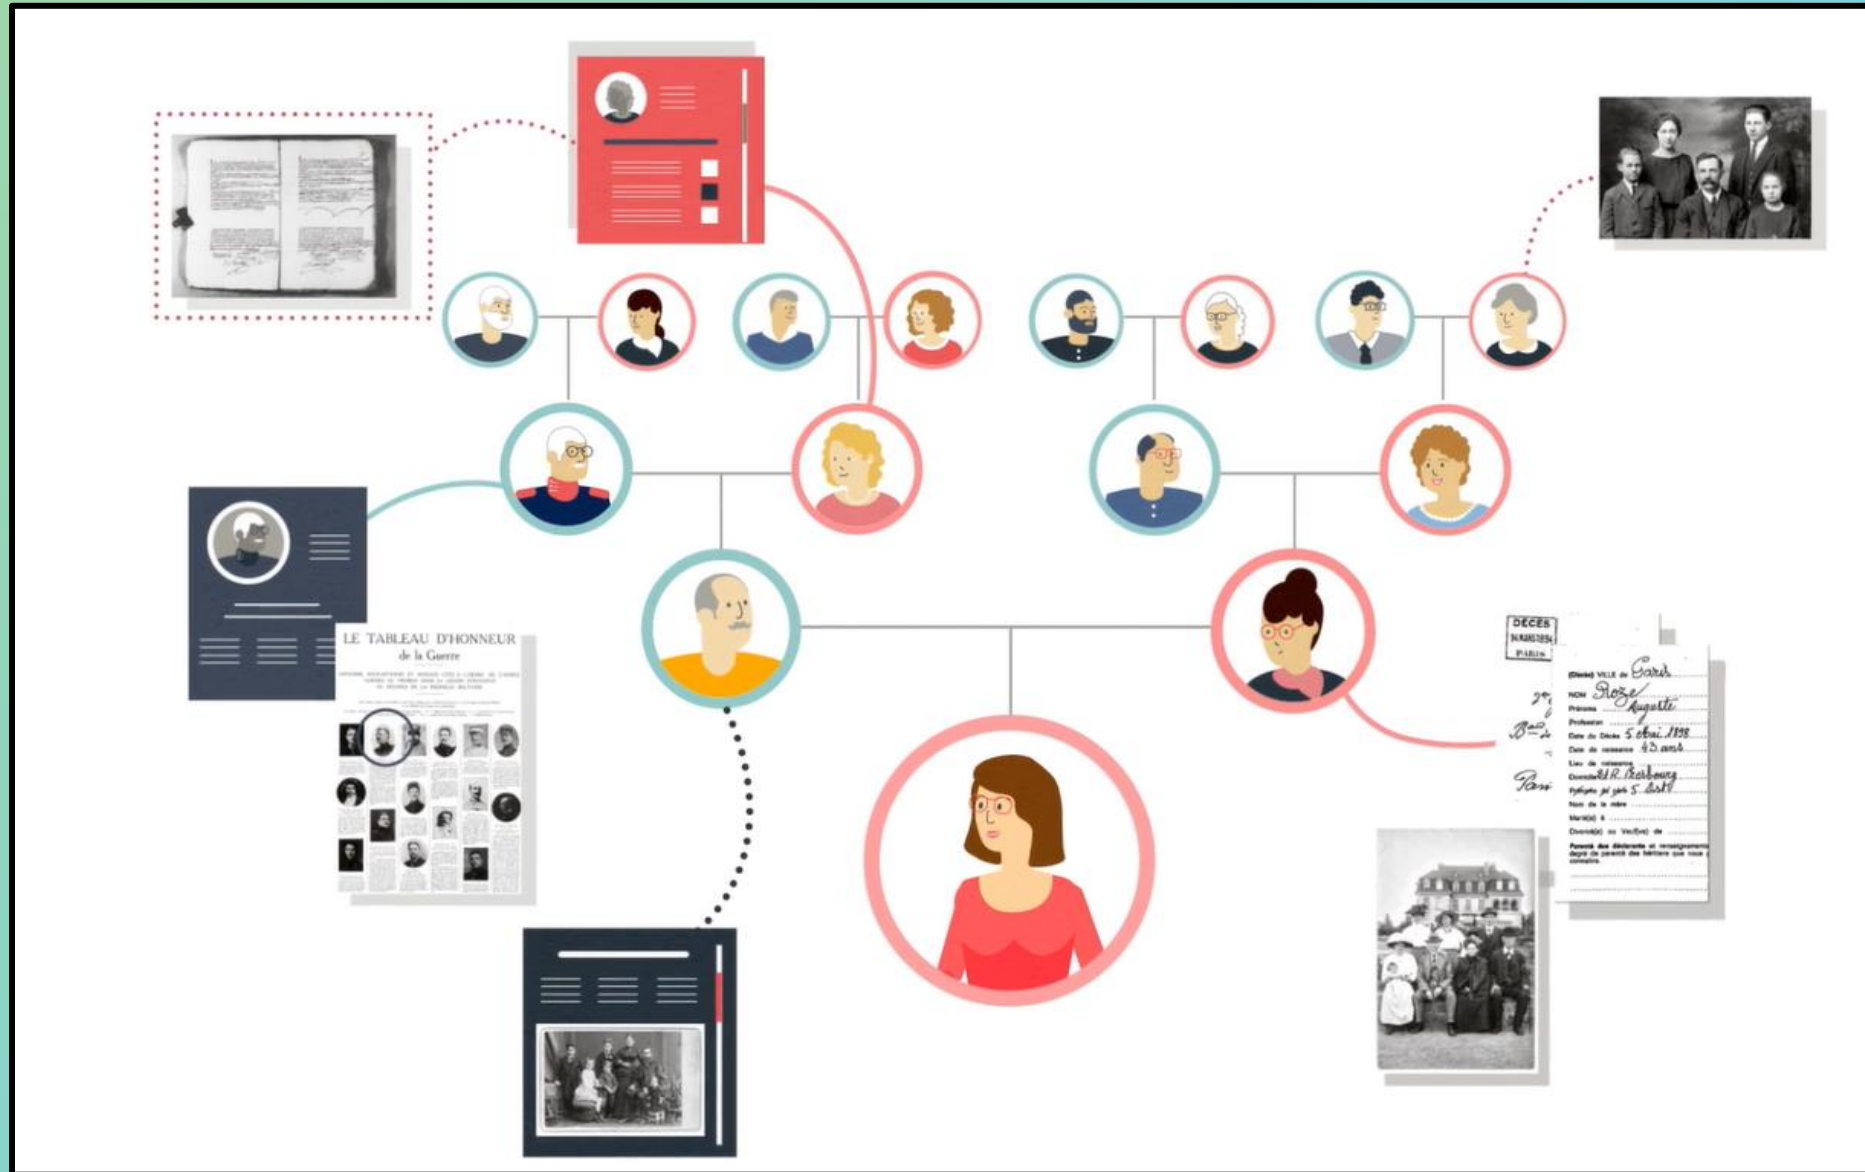

- Vital records
- Church records
- Journals and periodicals
- Court, land and probate records
- Census, tax and voter lists
- Military records
- Societies and organization records

- Town records
- Genealogies, biographies, and local histories
- Atlases and reference maps
- Immigration records
- Diaries and transcripts

- Publishes academic journals, books, newsletters
- Study projects in New England research

Started with a focus on ancestors in Western European countries, but since has expanded family trees and records worldwide.
