+ info

In a dream place of sunny french riviera, all genealogy enthusiasts will be able to come together for a unique event and meet the biggest players in the genealogical world. The Archives de France and the National Archives d'Outre-Mer will be present. This trip is organized by our partner.

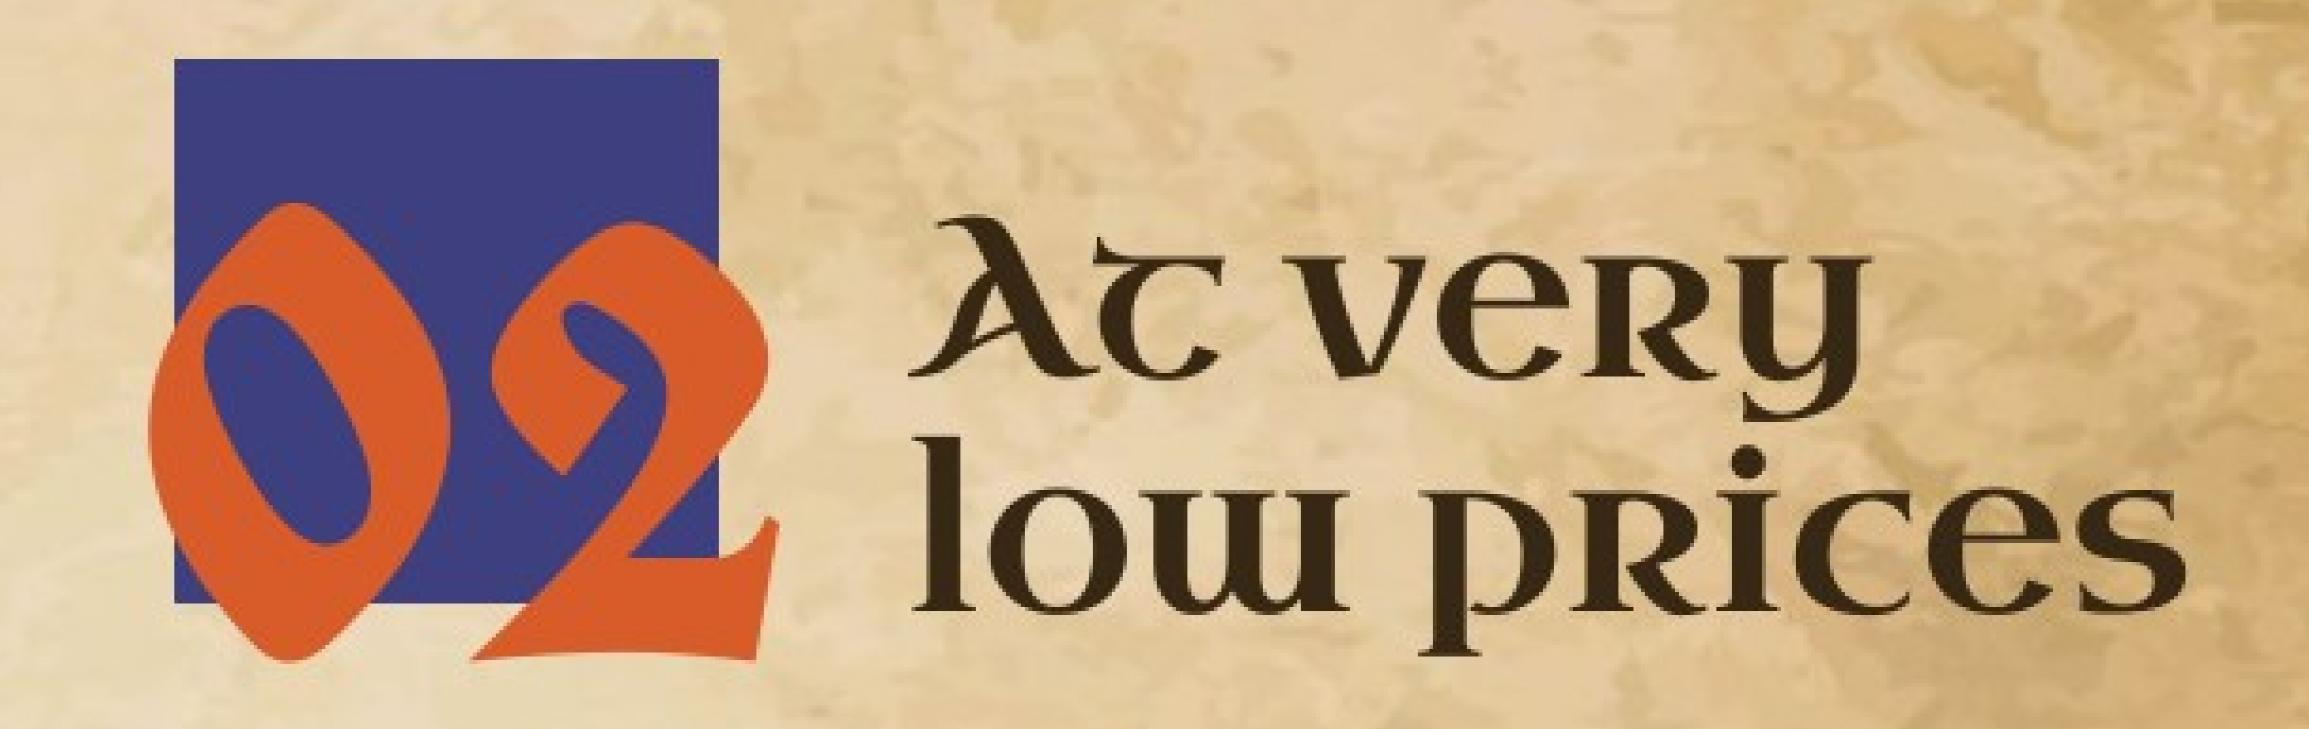

Conferences will be accessible
free of charge for participants
renting at the holiday village
and at low price for others.
You will discover Mandelieu,
Grasse and the Corniche d'Or.
Local genealogy and history
associations will be present.
Every day a new culinary
theme is concocted for you by
the Chef of Domaine
d'Agecroft.

The Federacion, a relay for your research

In 2020, the French Federation of Genealogy launched the concept of the virtual genealogy week. The following year, it reiterated and currently, GeneaEvent2021 meets all genealogy enthusiasts permanently. From your living room, you have access to more than 130 conferences, you can contact many societies and players of the genealogical world to help you in your research.
