

JOIN US 2-4 MARCH 2023 FOR RootsTech

A worldwide event where you will discover new ways to find your family and take them to the temple.

Family Discovery Day | 4 March 2023

- Join Elder and Sister Gong as they embark on an international journey of family discovery and speak to the importance of uniting family—past, present, and future.
- Enjoy activities and experiences that help you and your family unite as you discover more about your family history

Family History Learning | 2-4 March 2023 and all year long

- Learn from hundreds of classes that teach how to do family history from beginner to advanced levels!
- Watch classes on how adding family history efforts to your life strengthens families and forms a stronger bond with your Heavenly Father.

Temple and Family History Leadership Instruction | 2 March 2023

- Learn how to help those you serve become joyfully bound to the Savior through ordinances and covenants.
- Join Elder David A. Bednar, Elder Gerrit W. Gong, and Area Presidencies from around the world as they share messages and ideas about the power and protection that come from strengthening our covenants by serving our ancestors in the temple.
