

Understand to preserve: our History in the Levant during late 19th and beginning of the 20th century

Elie Elias

#Rootstech-2023

- Why preserving the history is important
- A look at the late 19th and beginning of 20th century of the Levantine history
- What can we do?

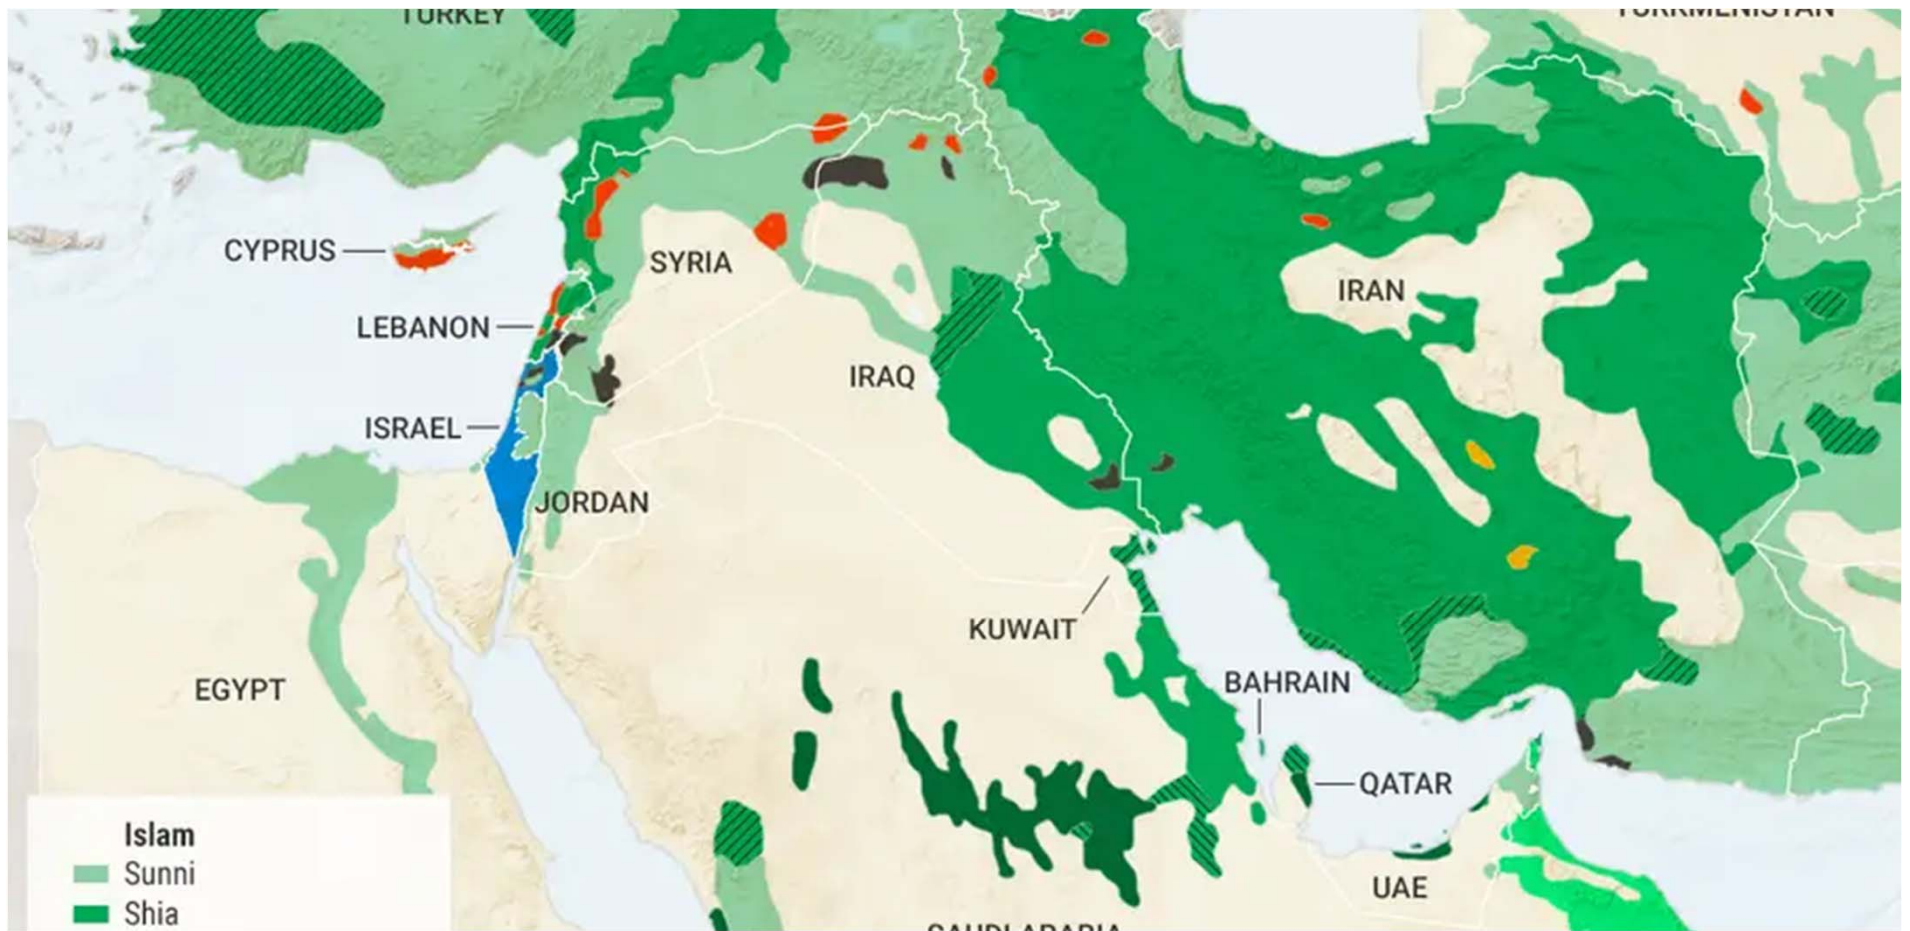

Why preserving our history is important?

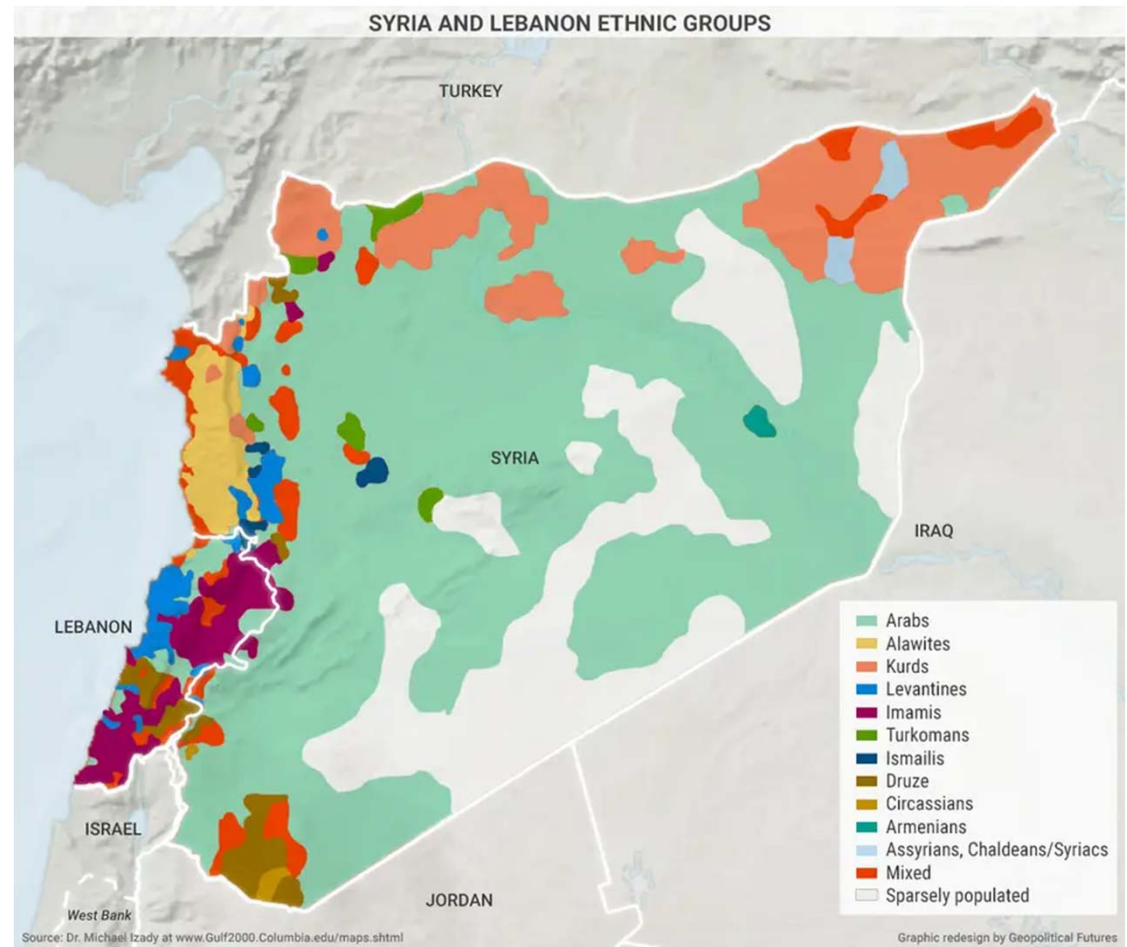

- Historic preservation is a conversation with our past about our future.
- "What is important in our history?"
- "What parts of our past can we preserve for the future?" Through historic preservation, we look at history in different ways, ask different questions of the past, and learn new things about our history and ourselves.
- Historic preservation is an important way for us to transmit our understanding of the past to future generations.

OTTOMAN EMPIRE AT THE BEGINNING OF THE 20TH CENTURY
